

blue wild International

| Company profile |

Blue wild international FZE is based in Ajman, United Arab Emirates (main office) and have our offices at:

- India, Cochin
- Vietnam
- China
- Hong Kong (*opening soon*)

Our company administrated and operated by personals that have been more than **3 decades** in seafood and Consuming Goods business, Our Individual employee struggles to achieve a single goal, **“Satisfied customer is our primary goal even a minor one.”**

We represent some of the leading Seafood Importers around the globe, we consider quality as our primal objective. In addition to this, our branches at Main marine fishery centers of India like Cochin, Vizag and Veraval are saddled with qualified Quality Controllers who monitor production at the factories with whom we place the orders.

Why Us
